HAYNES & PATERSON

CLEARING SALE

WHY?

Because we need the Money and You Need the Goods.

All our opening bills are coming due now and the weather has been bad for business. That means we are short of funds. On top of that our Spring Goods are coming in and we haven't got room for them. So we have marked everything in our store

AT COST

No matter what you want in Dry Goods we can suit you and save you money.

We do not ask you to believe our statements. Just come to our store. It will only take a second to convince you.
